interest on the Govt. Muz: Fund.

2 In para 6 of G.O. No. 5511-7/M.F. 135-23-13 dt 13.10.24, it was stated that the cost of renovation of Sri Kesavaswami Temple at Somanathpur and Kedareswara temple at Halebid, which are non-muzrai institutions, should be met from the P.W.D and the Ch: Engr was, accordingly, requested to report to what extent funds could be provided in his departmental budget for the current & following year.

3. The Ch: Engr in submitting an estimate for Rs 4070 for carrying out urgent repairs only to the Somanathpur temple, states that no funds are available under "Repairs to Civil Buildings" in the current year and that it is too early to state just now what amount could be provided for next year.

4. The Muz: Comr is of opinion that the cost cannot be met from the interest earnings of the Gl: Muz: Fund, which is intended to supplement the State Grant of Rs 10,000 for the repairs & improvements of Muz: institutions, and that it should, therefore, be met from Gl: Revenues and recommends that necessary provision therefor may be made in the next years budget.

Subd. in matter of correspondence

Referring to para 5 of this office letter C.No.1138/22-23 dated 20th March 1925, I have the honor to submit herewith copy of letter No.13769 dated 7th April 1925 from the Chief Engineer of Mysore forwarding an estimate amounting to Rs.4070-0-0 for carrying out urgent repairs to Sri Kesavaswami temple at Somanathapur in the T.Narasipur Taluk and stating that no funds are available under "Repairs to Civil Buildings" during the current year and that it is too early to state just now what amount could be set aparat next year.

2. The report accompanying the estimate explains the extent and --- urgency of the proposed repairs. The temple in question is not a -- Muzrai Institution in service and the cost of special repairs now found necessary should therefore be met from general revenues as directed in para 5 (iv) of Government Order No.6045-105/G.M.194-17-8 dated 14th --- September 1920 (vide also para 6 of Government Order No.511-7/M.F.135-23-13 dated 13th October 1924). The interest-earnings of the General Muzrai Fund which are meant for special Improvements to Muzrai Institutions by way of supplementing the State Grant for construction and Repairs" (Vide para 3 (a) of Government Order No.1103-13/M.F.599-16-2 dated 28th September 1919) cannot be made to contribute for the repairs of Institutions not in service-notwithstanding their antiquity and -- great architectural value.

3. As according to the Chief Engineer the repairs are urgent, I

could recommend that the necessary provision may
year's budget.

I have the honor to be,
Sir,
Your most obedient servant,

C.S. Balasundaram

Huzrai Commissioner.

Letter No.13769/2 dated 7th April 1925 from the Chief Engineer of Mysore to the Muzrai Commissioner in Mysore.

"In continuation of this office No.B.12573 dated the 12th March -- 1925, I have the honor to forward herewith, for favour of disposal, an estimate amounting to Rs.4,070/- for carrying out urgent repairs to Sri Somanathapur Temple at Somanathpur in T.Narasipur Taluk.

2. The report accompanying the estimate explains the provision made therein.

3. As regards funds for the work as remarked in para 6 of G.O.No.511-17/Muz.135-23-15 dated the 13th October 1924, I may mention that all the available funds have been distributed and no funds are available under "Repairs Civil Buildings" during this year. It is too early to state just at present what amount could be set apart next year; because everything depends on the proportion of grant of funds by Government with -- reference to the demands for urgent and important works."
